

Lord Grey School

A DCSF recognised Specialist Languages College with a second Specialism in Humanities

Headteacher: Mrs Jill Coughlan MA CBE **Deputy Headteachers:** Mr Richard Sutton B.Mus NPQH Mr Nigel Handyside BA (Hons)

May 2009

Dear Parent/Carer,

Improvements are high on our school agenda and as you will be aware we at Lord Grey are on a journey from Good to Satisfactory and Beyond.

We are pleased that over the last year we have:

- Improved our results
- Improved facilities within the school, e.g. Years 10 and 11 social areas, playgrounds, laboratories and English classrooms
- Improved learning facilities, providing data projectors in all classrooms
- Increased Extended Services Provision
- Personalised the curriculum
- Collaborated with Leon in order to provide a broader Post 16 curriculum and higher quality teaching for students at both schools
- Improved Performance Management and Teaching

In order to make further improvements at Lord Grey, we want again to survey our key stakeholders; students, parents and staff, and ask that you complete a form as a parent for each child attending Lord Grey. Completed form(s) should be placed in the sealed envelope(s) provided and returned by your child to their form tutor. All answers will be treated in the strictest confidence

Thank you for taking the time to complete this questionnaire; your comments are very important in our continued improvement at Lord Grey.

With many thanks.

Yours sincerely,

Jill Coughlan
Headteacher
