1. Aims

Lord Grey Academy aims to meet its obligations with regards to school attendance by:

- Promoting good attendance, setting all students a minimum target of 96%
- Reducing absence, including persistent absence
- Ensuring every student has access to full-time education to which they are entitled
- Acting early to address patterns of absence

2. Legislation and guidance

This policy meets the requirements of the [school attendance guidance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). These documents are drawn from the following legislation setting out the legal powers and duties that govern school attendance:

- [The Education Act 1996](#)
- [The Education Act 2002](#)
- [The Education and Inspections Act 2006](#)
- [The Education \(Pupil Registration\) \(England\) Regulations 2006](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2010](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2011](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2013](#)
- [The Education \(Pupil Registration\) \(England\) \(Amendment\) Regulations 2016](#)
- [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

3. School procedures

3.1 Attendance register

By law, all schools (except those where all students are boarders) are required to keep an attendance register, and all students must be placed on this register.

The attendance register will be taken at the start of the first session of each school day and once during the second session. It will mark whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

Every entry in the attendance register will be preserved for 3 years after the date on which the entry was made.

Students must arrive in school by **08.40** on each school day.

The register for the first session will be taken at **08.45** and will be kept open until **09.10**. The register for the second session will be taken at **14.00** and will be kept open until **14.30**.

3.2 Unplanned absence

Parents must notify the school on the first day of an unplanned absence – for example, if their child is unable to attend due to ill health – by **08.00** or as soon as practically possible (see also section 6) by calling the absence line on 01908 626167 stating the students name, form group and reason for absence. **For each day of absence the absence line must be called.**

Where a student's absence is cause for concern, even on the first day of absence, the school may complete a home visit welfare check.

If no reason for absence is given by **09.30** an automated absence notification will be sent signifying that the student is not in school and requesting a reason for absence to be given.

Absence due to illness will be authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask parents to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parents will be notified of this in advance.

A 'special register' list for historic poor attending students, and students considered to be vulnerable will be monitored by Student Services. Where a student on this list is absent, student services or the House team will contact home on the first day of absence, unless the student has been flagged as needing to be called by the Head or Assistant Head of House.

3.3 Medical or dental appointments

Missing registration for a medical or dental appointment is counted as an authorised absence; advance notice is required for authorising these absences.

However, we encourage parents to make medical and dental appointments out of school hours where possible. Where this is not possible, the student should be out of school for the minimum amount of time necessary.

If it has been impossible to make a medical or dental appointment out of term time hours Student Services need to be notified by calling 01908 626176 or emailing student.services@lordgrey.org.uk

Applications for other types of absence in term time must also be made in advance. Information relating to whether the school can authorise such absences can be found in section 4.

See appendix 3 Graphical representation of attendance percentage

3.4 Lateness and punctuality

A student who arrives late but before the register has closed will be marked as late, using the appropriate code.

A student who arrives after the register has closed will be marked as absent, using the appropriate code.

Students who are late on 3 occasions will complete a lunchtime late detention. Students who are persistently late will be seen by the Head of House and further lateness will lead to a lateness panel with parents and the Head of House.

3.5 Following up absence

The school will follow up any absences to ascertain the reason, ensure proper safeguarding action is taken where necessary, identify whether the absence is approved or not and identify the correct attendance code to use.

There is a graduated process for monitoring attendance and the action taken.

See appendix 2: Attendance process

3.6 Reporting to parents

Go 4 Schools shows a student's live attendance and is accessible to parents online. This will show a student's overall attendance, and also attendance to each individual lesson.

4. Authorised and unauthorised absence

4.1 Granting approval for term-time absence

The Principal may not grant any leave of absence to students during term time unless they consider there to be 'exceptional circumstances'. We define 'exceptional circumstances' as an incident out of the control of the student or parent.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request. A leave of absence is granted entirely at the Principal's discretion.

Valid reasons for **authorised absence** include:

- Illness and medical/dental appointments – as explained in sections 3.2 and 3.3
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the student's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- Traveller students travelling for occupational purposes – this covers Roma, English and Welsh Gypsies, Irish and Scottish Travellers, Showmen (fairground people) and Circus people, Bargees (occupational boat dwellers) and New Travellers. Absence may be authorised only when a Traveller family is known to be travelling for occupational purposes and has agreed this with the school but it is not known whether the student is attending educational provision
- Medical or dental appointments, where it is not possible for the appointment to take place outside of school hours and the appointments has been set outside of the parents control

Reasons for absence not to be authorised include:

- Looking after younger siblings
- Waiting in for deliveries
- Holidays during term time
- Selecting medical or dental appointments during school hours when this is not an emergency

4.2 Legal sanctions

Schools can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a penalty notice, parents must pay £60 within 21 days or £120 within 28 days. The payment must be made directly to the local authority.

The decision on whether or not to issue a penalty notice ultimately rests with the Principal, following the local authority's code of conduct for issuing penalty notices. This may take into account:

- A number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded student is found in a public place during school hours without a justifiable reason

If the payment has not been made after 28 days, the local authority can decide whether to prosecute the parent or withdraw the notice.

5. Strategies for promoting attendance

Students are encouraged to attend school and all their classes regularly by the setting of a minimum 96% attendance target and adherence to the schools rewards and sanctions procedures.

Form Tutors will discuss attendance regularly with tutees during tutor time. Attendance monitoring forms a core daily role of the Form Tutor. Using Go4Schools Form Tutors discuss attendance with students addressing attendance concerns and praising good and improving attendance.

Assistant Heads of House will meet fortnightly with the Attendance Officer to discuss specific students rewarding students for good attendance as appropriate.

Subject staff will set a good example for attendance and punctuality by being in the classroom waiting for students to arrive, allowing for a quick and orderly start to lessons.

Through the media of virtual assemblies Heads of House reinforce the importance of good attendance, praising students with good and improving attendance.

The Careers and futures Advisor regularly presents to students through presentations and through 1:1 meetings emphasising the importance of good attendance and punctuality in the workplace.

6. Attendance monitoring

The attendance officer monitors student absence on a daily, weekly and monthly basis.

Parents are expected to call the school in the morning if their child is going to be absent due to ill health (see section 3.2).

Parents are expected to call the school absence line for each day of absence on 01908 626167 by 08.00 each day

Attendance falls below 95%

Parents will be contacted to discuss the reasons for this. Attendance letter 1, (Appendix 4.1) will be sent home unless there is a genuine reason for absence and attendance will be monitored for up to two weeks. Improved attendance will lead to a praise phone call home from the Form Tutor. If attendance does not improve the attendance process will be followed.

Attendance fall below 90%

Attendance letter 2 (Appendix 4.2) will be sent home, meeting with the Head of House and Attendance Officer, and attendance will be monitored for up to two weeks.

Attendance falls below 85%

Attendance letter 3 (Appendix 4.3) will be sent home and referral will be made to the Vice Principal and Attendance Officer, and an attendance panel will be convened, if appropriate.

Attendance does not improve

Attendance letter 4 (Appendix 4.4) will be sent home to commence the prosecution process

The persistent absence threshold is 10%. If a student's individual overall absence rate is greater than or equal to 10%, the student will be classified as a persistent absentee.

Student-level absence data is collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. We compare our attendance data to the national average, and share this with governors.

Lord Grey Academy collects attendance information using Go4Schools. This data is live and available for parents to access online at any time. Go4Schools will show all attendance information, including individual lessons.

7. Roles and responsibilities

7.1 The governing board

The governing board is responsible for monitoring attendance figures for the whole school on at least a termly basis. It also holds the Principal to account for the implementation of this policy.

The link governor meets with the Vice Principal during the school year to discuss the attendance procedures.

7.2 The Principal

The Principal is responsible for ensuring this policy is implemented consistently across the school, and for monitoring school-level absence data and reporting it to governors.

The Principal also supports other staff in monitoring the attendance of individual students and issues fixed-penalty notices, where necessary.

7.3 The Vice Principal

The Vice Principal (Pastoral and Inclusion) is responsible for the strategic leadership of attendance and punctuality and will meet with the Attendance Officer weekly. The Vice Principal (Pastoral and Inclusion) will also chair Attendance Panels with the Attendance Officer and parents, and line manager the Attendance Officer role and present attendance data to the Leadership team and Governors at regular intervals.

7.4 The Attendance Officer

The Attendance Officer:

- Monitors attendance data at the school and individual student level
- Meets the Assistant Head of House fortnightly to discuss attendance data
- Reports concerns about attendance to the Vice Principal
- Works with external agencies to tackle persistent absence
- Arranges calls and meetings with parents to discuss attendance issues
- Advises the Vice Principal when to issue fixed-penalty notices

7.5 Heads of House

Heads of House will meet with the Assistant Vice Principal (Behaviour) weekly. Student with significant attendance concerns will be discussed and strategies evaluated for attendance to improve

7.6 Assistant Heads of House

Assistant Heads of House will meet with the Attendance Officer fortnightly to discuss attendance concerns and decide on the best course of action.

- Attendance letters will be sent home
- Home visits will be arranged
- Attendance panels will be arranged
- The attendance tracker will be updated to show what action has been taken and when any attendance letter was sent home

7.7 Form Tutors

Form Tutors are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office. Form Tutors are the first point of contact to discuss attendance concerns, and will liaise with parents concerning the initial decline in attendance and after monitoring for two weeks, improvement in attendance should this be the case.

7.8 Class subject teachers

Subject teachers are responsible for the completion of accurate lesson registers every lesson within 15 minutes of the lesson start, to allow lesson absence to be picked up quickly and reported to Student Services.

7.9 Student Services

Student Services staff are expected to take calls from parents about absence and record it on the school system.

8. Monitoring arrangements

This policy will be reviewed annually by the Vice Principal (Pastoral). At every review, the policy will be shared with the governing board.

9. Links with other policies

This policy is linked to our child protection and safeguarding policy

Covid-19 Addendum

1. Aims and scope

We are committed to meeting our obligations with regards to school attendance by:

- Ensuring every student has access to full-time education to which they are entitled
- Acting early to address patterns of absence
- Supporting parents/carers and students who are concerned about the return to school due to coronavirus

This addendum applies from the start of the autumn term 2020 until the end of the 2020/21 academic year. It sets out changes to our normal attendance policy, and should be read in conjunction with that policy. Unless covered here, our normal attendance policy continues to apply.

We may need to amend or add to this addendum as circumstances or official guidance changes. We will communicate any changes to staff, parents and students.

2. Guidance and definitions

This policy meets the requirements of the Department for Education's (DfE's) [guidance](#) on school attendance during the 2020/21 academic year.

This addendum reflects the latest advice from the DfE

In section 4.2 of this addendum, where we refer to 'close contact', this means:

- Direct close contacts: face-to-face contact with an infected individual for any length of time, within 1 metre, including being coughed on, a face-to-face conversation, or unprotected physical contact (skin-to-skin)
- Proximity contacts: extended close contact (within 1 to 2 metres for more than 15 minutes) with an infected individual
- Travelling in a small vehicle, like a car, with an infected person

This definition is from the DfE's [guidance on full reopening for schools](#) (see number 9 in 'the system of controls').

3. Attendance expectations

It is mandatory for all students of compulsory school age to attend school unless:

- They have been granted an authorised absence by the school in line with section 4.1 of our normal attendance policy
- They cannot attend school due to specific circumstances related to coronavirus (see section 4, below)

4. Where 'non-attendance in relation to coronavirus' applies

We will only accept 'non-attendance in relation to coronavirus' in circumstances where a student's travel to, or attendance at, school would be:

- Against guidance from Public Health England and/or the Department of Health and Social Care relating to the incidence of coronavirus or its transmission.

- Prohibited by any legislation or statutory directions relating to the incidence of transmission of coronavirus.

4.1 Student develops symptoms or lives with someone who does

The student's parent/carer must notify the school on the first day that their child needs to self-isolate. The student will stay at home until they or the symptomatic person they live with receives their coronavirus test results.

If the student's test result is negative: the student will return to school when they feel well and no longer have symptoms similar to coronavirus. They should continue to stay at home if they remain unwell (i.e. with a different illness).

If the person the student lives with tests negative: the student will stop self-isolating and return to school

4.2 Student or a 'close contact' of theirs receives a positive test result

The student's parent/carer must notify the school about the positive test result as soon as possible by calling the absence line on 01908 626167

Students who test positive must self-isolate for at least 10 days from the onset of symptoms, and must only return to school when they no longer have symptoms (other than a cough or a loss of sense of smell or taste).

If a member of the student's household or 'close contact' tests positive, the student must self-isolate for 10 days. The student must do this from when the member of their household first had symptoms, or the day the student last met with the 'close contact' who received the positive result.

See the definition for 'close contact' in section 2 of this addendum.

4.3. Student has to quarantine after travel abroad

The parent/carer must notify the school if their child has to quarantine after travel to a country that is not on the government's [exemptions list](#).

The student must quarantine for 10 days on their arrival to the UK and return to school thereafter.

4.4 Student is required to shield during a local lockdown

The parent/carer will notify the school if they are advised by the government to stay at home and will provide proof of their shielding letter by sending a scan to student.services@lordgrey.org.uk or a photocopy to the school address.

The student will stay at home until the shielding measures in the local area are paused. Once the shielding measures are lifted, we will contact the student's parent/carer to set the expectation that they can return to school.

4.5 Remote learning provision

If a student is not attending school because of circumstances related to coronavirus, but where the student is not ill, the school will provide the student access to remote education through the use of the LGA Virtual School.

- Our approach and expectations regarding remote education are set out in our remote learning contingency plan/policy.
- Curriculum continuity occurs via our LG Virtual School with 100% of the curriculum covered through online resources, lesson materials or pre-recorded lessons and online platforms utilised such as Oak National Academy or GCSEPOD.
- We will keep a record of, and monitor, student engagement with remote learning, but we will not track this information in the attendance register
- We will provide students with access to relevant ICT or photocopied work packs where they do not have access to this at home.

5. Recording attendance

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every student is:

- Present
- Attending an approved off-site educational activity
- Absent
- Unable to attend due to 'exceptional circumstances' (as defined in section 4.1 of our normal attendance policy)
- Unable to attend for reasons related to coronavirus (see appendix 1 for the relevant absence codes and when we will use them)

Students must arrive in school at their designated time slot on each school day.

6. Following up absence

Where any child we expect to attend school does not attend, or stops attending, we will:

- Follow up on their absence with their parent or carer by calling home and/or completing home visits
- Notify their social worker, where they have one

If a student does not attend because they, and/or their parent/carer are concerned about returning to school because of coronavirus, we will meet with the parents to address these issues face to face, at the students home or via a phone call/video meeting/in-school between the parent/carer and a member of the Leadership Team to explain the protective measures the school is taking to keep students safe and minimise risk.

6.1 Legal sanctions

Normal rules on legal sanctions apply, but exceptions may be made on a case by case basis.

7. Monitoring arrangements

This policy will be reviewed as guidance from the Department for Education is updated, and as a minimum every 2 months during term time by Vice Principal Pastoral. At every review, it will be approved by the full governing board.

Appendix 4.1 – Attendance letter one

Dear

There is a very strong correlation between student achievement and student attendance. Consequently Lord Grey Academy takes student absence very seriously, and any absence below 95% is scrutinised.

Unfortunately _____ attendance is currently XX% and as a result attendance will be monitored over a period of 2 weeks.

In two weeks' time the attendance level will be reviewed and if it has not risen I will write to you again.

If a student is *genuinely* ill it is understandable that they remain at home. The school must be contacted on the first day and when the student returns to school a note should be sent with them. However situations of this nature should be rare. Ultimately it is the school that authorises absences.

A leaflet outlining absence and a graph representing attendance are enclosed.

Thank you for your support in this matter.

Yours sincerely

Assistant Head of House

Appendix 4.2 – Attendance letter two - Head of House and Attendance Officer Panel

Dear

As stated in a previous letter there is a very strong correlation between student achievement and student attendance. Consequently Lord Grey Academy takes student absence very seriously.

Unfortunately _____ attendance has continued to fall and is now XX%. This means that there has been, on average, one day of absence for every ten school days. Average attendance of 95% over 11 school years equates to 209 school days of absence over this period, which is more than one whole school year. You are therefore invited to attend a meeting with the Head of House and Attendance Officer to discuss this concern. The Head of House will contact you to arrange a mutually convenient time to come in to school.

If a student is *genuinely* ill it is understandable that they remain at home. The school must be contacted on the first day and when the student returns to school a note should be sent with them. Due to your child's low attendance we are now seeking GP or other medical evidence every time your child is off sick – if we do not receive it unfortunately the absence will be unauthorised. If you have difficulty in obtaining this information we have enclosed a GP stamp form which the receptionist of the practice can stamp when you attend the surgery. However situations of this nature should be rare. Ultimately it is the school that authorises absences.

A leaflet outlining absence and a graph representing attendance are enclosed.

Thank you for your support in this matter.

Yours sincerely

Assistant Head of House

Appendix 4.3 – Attendance letter three – Attendance Officer and Vice Principal Panel

Dear

I have written to you on two previous occasions to discuss the attendance of XXX, and a meeting with the Head of House and Attendance Officer was held with you to discuss this concern. Unfortunately attendance has not improved and is now XXXX%. There is an expectation that children should attend school regularly, therefore you are required to attend an Attendance Panel meeting to discuss XXXXX attendance at Lord Grey Academy. An appointment has been made at on 2020.

The meeting will be chaired by Sarah McVeigh, the Lord Grey Attendance Officer with Mr Page, Vice Principal.

Failure to attend the panel could lead to further involvement of the Senior Attendance Officer (Legal Interventions)

Yours

Assistant Head of House

Appendix 4.4 – Attendance letter four – Fixed penalty notice

Dear

Re:

At a recent attendance panel you attended, a period of monitoring was agreed to improve the attendance of XXXX. You were advised that you are liable to be issued a fixed penalty notice if the attendance for XXXXXX did not improve during this period.

During the period to the school was open for YY sessions and XXXXX attended on sessions, which is equivalent to XX%, and cumulative attendance is YY%

In line with our attendance policy, and the local authority's code of practice, we will now request a penalty notice be issued by the local authority.

On receipt of the notice, you must pay:

- £60, if paid within 21 days
- £120, if paid between 21 and 28 days from the date of the notice

If payment is not made within 28 days, the local authority may decide to pursue further legal action.

We would also like to invite you in for a meeting with [appropriate member of staff], on XXXXXX, to discuss how we can support you to help improve [name's] attendance.

Section 7 of the 1996 Education Act, states that you have a duty to ensure your child's regular attendance at school. This legislation will be enforced should this warning be disregarded and, as this would constitute an aggravated offence; the LA would seek a prosecution under Section 444(1A) of the act. The penalty for this higher offence is a fine of up to £2,500 per child and/or up to three months imprisonment.

If you wish to discuss this matter further then please contact me on 01908 626110

Yours sincerely
