- Support their child in adhering to the student code of conduct - The Lord Grey Way
- Get to know the school's behaviour policy and reinforce it at home where appropriate
- Take part in any pastoral work following misbehaviour (for example: attending reviews of specific behaviour interventions)

- Discuss any behavioural concerns with the class teacher promptly
- Support the expectations agreed in the home school agreement

5.5 Students

Students are expected to:

- Follow the Code of Conduct outlined in the Lord Grey Way.

6.1 Student code of conduct - The Lord Grey Way

Students and staff have worked together to produce the Lord Grey Way - our code of conduct that outlines expectations and responsibilities for behaviour in lessons and around the Academy campus.

Learning in lessons

- Arrive at your lessons on time wearing the correct uniform.
- Sit where you are asked to sit and be ready for learning, with the correct equipment out within 90 seconds of entering the classroom.
- Follow the instructions of the member of staff the first time without fuss or argument.
- Be respectful towards staff and other students...respect everyone's right to be heard and everyone's right to learn.
- Complete all work, including self-study to the best of your ability.
- Take an active part in the lesson by getting fully involved in all learning activities.

Around the Academy

We want the Academy to be a safe and stimulating place for learning.

- Be polite and respectful to all members of the Academy community at all times.
- Behave sensibly so that you do not put yourself or others in danger
- When in corridors, walk sensibly and quietly. Hold doors open for others
- Line up outside your classrooms as requested by your teacher.
- If you see something wrong or that you are worried about please tell a member of staff about it
- Use the bins provided to keep Lord Grey tidy and respect our buildings and equipment by not damaging anything

7. Rewards and sanctions

7.1 List of rewards and sanctions

There are a number of ways in which positive behaviour is rewarded, most notably through meaningful, targeted praise proportionate to the act.

Waves of Praise

This has been developed to embed the concept of the triangulation of praise to accelerate recognition of students' efforts and achievements throughout the school. Each wave demonstrates how different members of staff are helping to continually praise our students.

Wave 1:

Value points

Value points are awarded to students who have gone above and beyond in lessons. Value Points will be awarded for Ambition, Integrity, Curiosity, Civility, Determination and Collaboration both in and around school. Individual student achievements for the most cumulative points at the end of each term (top 10%) are placed in a raffle for a "big prize" draw.

Most Valuable Points

Most Valuable Points are awarded to students for Ambition, Integrity, Curiosity, Civility, and Determination and students place their slips into the correct MVP prize draw box. A live fortnightly draw is completed where MVP slips are drawn from the MVP boxes for students to select from a variety of prizes.

Recognition Boards

In the classroom, staff may use a Recognition Board to focus on specific social and/or learning behaviours. When students successfully demonstrate these behaviours, their efforts are acknowledged by having their name placed on the board. It is a collective strategy, which fosters a positive interdependence in the classroom and is very positive in raising expectations.

Phone Call Friday

Where practicably possible, every member of the teaching staff is required to make one positive phone call to a parent on a Friday to celebrate a student's success and achievements. On occasions this may not be a Friday and may feature more than one student LSAs are also invited to do so, if time permits.

Wave 2:

"I Heard a Wispa" Certificates

Heads of Faculty can make nominations for the "I Heard a Wispa " certificates, to continue the praise students have received from their classroom teacher. The certificates, along with a bar of chocolate, are delivered to students in one of their lessons by the Leadership Team.

Positive Postcards

Postcards of praise which can be sent out in the post or emailed to help celebrate the success of our students.

Wave 3:

Student of the term

In the last week of every term, each year group will have a student of the term assembly. Each subject in the respective year group will nominate a student who has gone above and beyond in that subject. They will receive a certificate and be entered into a prize draw.

Raising Standards Leader Celebration

The Raising Standards will invite students who have done well for a variety of reasons in school, for example having no Consequence Points or showing significant improvement. These will take place 3 times a year.

Value Points Certificates

Students will receive a certificate for having the most value points in each subject area on a termly basis.

Wave 4

Principal's Award

Staff may nominate students for a Principal's Award. Depending on the number of nominations they receive, they will get a badge; 3 = Bronze, 5 = Silver, 10 = Gold, 15/20/25 for the next ones. If they get a star badge, they will receive a bag.

Hot Chocolate Celebration

Hot Chocolate celebration where students with the most Value Points or specific focus group will be invited to have a hot chocolate celebration.

Wave 5

Lord Grey Vision and Values Awards Evening winners

Each subject will be asked to nominate a Student of the Year for KS3 and Year 10 who will be invited, along with their parents to attend the Awards Evening. In addition to this, Heads of Year will nominate a student who epitomises each of our values in their year groups and a single student who will receive a Lord Grey Can award for years 7-10. One student will also receive an Ethos team award and one student will also receive the Chase Angus Endeavour Award.

Use of Twitter/Newsletter

Names of students who gain the above rewards are also celebrated on Twitter and in the school's newsletter.

Notes of Praise

Members of the Leadership Team use post-it notes to write messages of praise on students' exercise books or class work as they circulate the school and visit classrooms. This may well be in support of the praise

already issued by the class teacher. The notes work to recognise effort and can be shown to parents when the work goes home, further triangulating the praise received.

7.2 Sanctions and consequences for misbehaviour

The following disciplinary penalties may be used in the Academy:

- The C-Point system C1 - C5 (see appendix 2 for details)
- Removal from the group/ class or particular lesson, C3/C4.
 - a C3 will be followed up by a phone call home by the removing adult, and a restorative meeting involving the relevant Head of Faculty and the removing teacher in a C3 detention run centrally the day after the C3 was issued. Failure to attend this detention will lead to a 3.00pm-4.30pm detention in ISR. Failure to attend the missed detention will lead to a whole day in ISR until 4pm. Suspension will result for failure to complete the day in ISR. If deemed appropriate by the school, a student may be required to complete their original ISR time.
 - a C4 will lead to the equivalent of a whole day in ISR until 4pm
- withdrawal of break or lunchtime privileges
- depending on the misbehaviour, the school may withhold participation in educational visits or sports events
- completion of work or extra work
- placed in ISR for any period up to five days
- placed in an Isolation Room at a partner school
- carrying out a useful task in the school; e.g. litter picking with appropriate tools
- fixed term exclusion
- permanent exclusion.

We may use ISR in response to serious or persistent breaches of this policy. Students may be sent to ISR during lessons if they are disruptive, and they will be expected to complete the same work as they would in class. This is monitored through the ISR website. Students email the work they have completed via the website to their classroom teacher.

Lord Grey Academy is represented at the Alternative Education panel each month. Students can be referred to Alternative Education (Bridge) in Year 7-11 for a one off serious incident, or as a result of a number of behaviour concerns over a period of time.

7.3 Internal Suspension Room (ISR)

This is an alternative to avoid a Fixed Term Suspension (FTS) and is used as an area in which students are isolated from the rest of the Academy for serious or persistent breaches of the code of conduct. We always try to minimise the time that students spend in ISR in terms of periods. However, for serious breaches of the Lord Grey Way, a whole day in ISR may be issued. Timings for ISR will be:

Time of Incident or session	Time spent in isolation		
P1	Period 1	Period 2	Break
P2	Period 2	Break	Period 3
P3	Period 3	Period 4	Lunch
P4	Period 4	Lunch	P5
P5	Period 5	Same day detention*	

* providing parents are contacted. If not, this will extend to cover P1 the following day.

When in ISR, students will be required to complete a reflection activity and complete work for subjects they should be in. Students must hand in their mobile phone and follow the Lord Grey Way. Failure to follow the Lord Grey Way will result in 1 ISR Warning. If the behaviour continues a 2nd ISR warning will be issued along with a phone call home to warn parents their child is at risk of suspension. As ISR is a step to avoid suspension, if poor behaviour continues and a 3rd ISR warning is needed, a student will be suspended.

7.4 Zero-tolerance approach to sexual harassment and sexual violence

The school will ensure that all incidents of sexual harassment and/or violence are met with a suitable response, and never ignored.

Students are encouraged to report anything that makes them uncomfortable, no matter how 'small' they feel it might be.

The school's response will be:

- Proportionate
- Considered
- Supportive
- Decided on a case-by-case basis

The school has procedures in place to respond to any allegations or concerns regarding a child's safety or wellbeing. These include clear processes for:

- Responding to a report
- Carrying out risk assessments, where appropriate, to help determine whether to:
 - Manage the incident internally
 - Refer to early help
 - Refer to children's social care
 - Report to the police

Please refer to our child protection and safeguarding policy for more information.

7.5 Off-site behaviour

Sanctions may be applied where a student has misbehaved off-site when representing the school. This means misbehaviour when the student is:

- Taking part in any school-organised or school-related activity (e.g. school trips)
- Travelling to or from school
- Wearing school uniform
- In any other way identifiable as a student of our school

Sanctions may also be applied where a student has misbehaved off-site at any time, whether or not the conditions above apply, if the misbehaviour:

- Could have repercussions for the orderly running of the school
- Poses a threat to another student or member of the public
- Could adversely affect the reputation of the school

7.6 Malicious allegations

Where a student makes an allegation against a member of staff and that allegation is shown to have been deliberately invented or malicious, the school will discipline the student in accordance with this policy.

Where a student makes an allegation of sexual violence or sexual harassment against another student and that allegation is shown to have been deliberately invented or malicious, the school will discipline the student in accordance with this policy.

In all cases where an allegation is determined to be unsubstantiated, unfounded, false or malicious, the school (in collaboration with the local authority designated officer, where relevant) will consider whether the student who made the allegation is in need of help, or the allegation may have been a cry for help. If so, a referral to children’s social care may be appropriate.

The school will also consider the pastoral needs of staff and students accused of misconduct.

Please refer to our child protection and safeguarding policy for more information on responding to allegations of abuse against staff or other students.

○

8.1 Classroom Management - Climates for Learning

For high quality learning to take place, it is important that our students understand the conditions in which we expect them to learn. Students may be rewarded or sanctioned in accordance with the rewards and consequences graduated approaches.

<p>Teacher instruction:</p> <ul style="list-style-type: none"> • Eyes on the teacher giving your full attention. • You are silent, still and listening carefully to instructions. • Raise your hands at the end to ask any questions. 	<p>Independent learning</p> <ul style="list-style-type: none"> • Focus on your own work • Work in silence • Raise your hand if you would like support. 
<p>Collaborative learning :</p> <ul style="list-style-type: none"> • Interaction and discussion is only about the given task. • Listen to and respect the views of others. • Contribute actively and positively. • Raise your hand if you would like support. 	<p>Whole Class Discussion:</p> <ul style="list-style-type: none"> • One person speaks at a time. • You are silent, still and actively listening to the person speaking. • Respect the views of others and raise your hand to contribute. 

8.2 Physical restraint

In some circumstances, staff may use reasonable force to restrain a student to prevent them:

- Causing disorder
- Hurting themselves or others
- Damaging property

Incidents of physical restraint must:

- **Always be used as a last resort**
- applied using the minimum amount of force and for the minimum amount of time possible
- Be used in a way that maintains the safety and dignity of all concerned
- Never be used as a form of punishment
- Be recorded and reported to parents

8.3 Confiscation

Any prohibited items (listed in section 3) found in students' possession will be confiscated. These items will not be returned to students.

We will also confiscate any item which is harmful or detrimental to school discipline, this includes mobile phones. These items will be returned to students after discussion with Heads of Year and parents, if appropriate.

Searching and screening students is conducted in line with the DfE's [latest guidance on searching, screening and confiscation](#).

8.4 Student support

The school recognises its legal duty under the Equality Act 2010 to prevent students with a protected characteristic from being at a disadvantage. Consequently, our approach to challenging behaviour may be differentiated to cater to the needs of the student.

The school's special educational needs co-ordinator will evaluate a student who exhibits challenging behaviour to determine whether they have any underlying needs that are not currently being met.

Where necessary, support and advice will also be sought from specialist teachers, an educational psychologist, medical practitioners and/or others, to identify or support specific needs.

When acute needs are identified in a student, we will liaise with external agencies and plan support programmes for that child. We will work with parents to create the plan and review it on a regular basis.

8.5 Safeguarding

The school recognises that changes in behaviour may be an indicator that a student is in need of help or protection. We will consider whether a student's misbehaviour may be linked to them suffering, or being likely to suffer, significant harm. Where this may be the case, we will follow our child protection and safeguarding policy.

9. Student Transition

To ensure a smooth transition into the school from Year 6 into 7 the school will run extensive transitional activities in conjunction with our feeder primary schools.

To ensure behaviour is continually monitored and the right support is in place, information related to student behaviour issues may be transferred to relevant staff at the start of the term or year. Information on behaviour issues may also be shared with new settings for those students transferring to other schools.

10. Training

Our staff are provided with training on managing behaviour. Behaviour management will also form part of continuing professional development.

We also provide guidance of behaviour management through the behaviour toolkit available in the staff handbook and through the Lord Grey Behaviour and Ethos website.

11. Monitoring arrangements

This behaviour policy will be reviewed by the Executive/Associate Principal and Governing Board every 12 months. At each review, the policy will be approved by the Executive/Associate principal.

Behaviour Data is recorded by staff via Go4Schools. This data is then used to produce half termly reports which are presented to the Leadership Team and LGB to track and monitor trends over time. (See appendix 3)

12. Links with other policies

This behaviour policy is linked to the following policies:

- Exclusions policy
- Safeguarding policy
- Anti-Bullying Strategy
