### Private and Confidential

Dear Parents, Carers and Guardians,

I am writing to inform you that we will soon be offering COVID-19 vaccinations in school. I would like to ask if you wish to give your consent for your child to receive a first dose of the vaccine.

We are not yet aware of the date this will take place, but ask that the parents, carers or guardians of children turning 12 or 16 in the next two weeks also complete the form, if they consent to their child having the vaccination.

If your child has not turned 12 before the date the vaccination is due to be administered, your child will not receive the vaccine.

If your child has turned 16 before the date the vaccination is due to be administered your child will not receive the vaccine in school and will need to go to a walk-in centre or their GP.

This vaccination will be free of charge and our highest priority is making it easy for children to access one dose of the vaccine before the winter.

The main purpose of the COVID-19 school age vaccination programme is to provide protection to the children who receive the vaccine and may help to reduce transmission of COVID-19 in the wider population.

During the vaccination delivery we will maintain the range of measures we have in place to keep you safe from COVID-19.

Please indicate your consent by completing the [online form](#), ensuring you pick Lord Grey Academy from the drop down list at question 12.

By consenting you will be helping to play your part in reducing the risk of COVID-19 spreading.

Yours faithfully

Samantha Satyanadhan  
Associate Principal
