

8<sup>th</sup> April 2022

Dear Parents, Carers and Guardians

At Lord Grey, we are constantly looking for ways to improve our practice and to hone our work to deliver better outcomes for all. After Easter, there will be some changes within the area we call the 'hub', with each year group's team moving to individual year offices around the school.

We have completed an extensive review of our areas in school for Behaviour, SEND and Pastoral. As we start to live with covid some of the ways we have previously done things are changing due to school, and education as a whole, changing post pandemic.

After Easter, each year group's team of Head of Year, Assistant Head of Year and Raising Standard Leader will be based in an office around the school site. Students have been communicated with this information but please see the details below.

I know sometimes as a parent you are unsure who to contact with an issue, here are some examples of who to contact.

**Head of Year/Assistant Head of Year** - High level concerns- safeguarding, behaviour across school, issues at social time with other year groups. Attendance concerns or issues with attendance. Supporting you with discussions with your child. To alert them to something going on at home. Queries about Go4schools detentions or consequences.

**Raising Standard Leader**- Discussions regarding progress of achievement in more than one subject. How to revise, how to log onto certain platforms for self-study. Worries about progress based on reports. Discussions about achievements in more than one subject.

**Form Tutor**- Raising concerns about your child in terms of self-study in general, issues in a couple of subjects. Concerns which are not high level- to alert them to something going on at home. Uniform issues.

**An individual Teacher**- Issues in a particular subject, issues with self-study in a particular subject. Questions about progress in a particular subject.

I hope this clarity helps you in ensuring you speak to the right person to answer your queries so we can best support your child. Please do ensure you have [downloaded the Go4schools app](#) and to email any member of staff below, please use the format: [Firstname.Surname@lordgrey.org.uk](mailto:Firstname.Surname@lordgrey.org.uk). You can find further details on our [Staff Contact page](#) on our website.
