

7 April 2021

Dear Students, Parents, Carers and Guardians,

As you know all members of the school community have been following Government advice by wearing face coverings/masks in school. This has included wearing them in classrooms. The Government has reviewed this advice and for the time being students and staff will continue to wear face coverings/masks in the buildings and in other situations where social distancing can not take place.

The Government has indicated that this will be reviewed again in mid-May. Details of the full announcement can be found by following this link;

<https://www.gov.uk/government/news/face-coverings-in-schools-and-colleges-to-remain-in-place>

We know that wearing face coverings/masks for long periods of time is uncomfortable and that learning can be compromised but it is important that students continue to follow the advice given. Hopefully it will be for just another 4 weeks.

Yours sincerely

Jim Parker
Principal
