

Monday 12th October

Dear Parents, Carers and Guardians,

We are delighted to announce that Lord Grey Academy has recently invested in GCSEPod, the award-winning digital content and revision provider used by over 1,250 schools worldwide. As a subscriber, your child now has access to GCSEPod's library of over 6,000 'Pods,' 3-5 minute videos designed to deliver knowledge in short bursts. GCSEPod makes learning and revision much more manageable: every Pod is mapped to an exam board, and contains all the right facts, quotes, keywords, dates and annotated diagrams that your child needs for GCSE success – all neatly organised into topics and exam playlists.

One of the best things about GCSEPod is that you can download any Pod to your child's mobile device, and then they can watch them at any time, in any place, with or without internet. It's like they're carrying a whole set of textbooks in their pocket! Make sure you download the GCSEPod app from the App Store (Apple and Android are supported) to access this feature.

GCSEPod also has the ability to identify knowledge gaps and automatically send playlists to help fill them. After completing any homework set on GCSEPod, your child will get a personalised "Boost Playlist" of Pods relevant to their identified areas of weakness. We strongly suggest you encourage your child to review these playlists regularly as this will speed up their progress.

We recommend that you talk about GCSEPod with your son or daughter – check that they've successfully activated their account and encourage them to make use of this amazing resource throughout their GCSE's. Once they've activated their account, they can browse the GCSEPod library and create their own playlists – just as they would when they're listening to music.

For more ways to support your child using GCSEPod, please visit www.gcsepod.com/parents where you'll find lots more information and resources.

Your child has already been registered with GCSEPod, so all they need to do is activate their account by following the instructions below. If your child has already activated but can't remember their username and password, please ask them to contact a member of staff.

- 1) Go to www.gcsepod.com and click "Login" in the top right-hand corner
- 2) Click "New to GCSEPod? Get started."
- 3) Select "Student"
- 4) Enter your child's **name, date of birth** and **the school name**.
- 5) Create a **username, password**, and a **password hint** to help them remember the password. We suggest the username be kept simple, such as their Pnumber e.g. P1234 and password likewise e.g. Lordgrey

If you have any questions regarding GCSEPod please contact Mr. Killen who is leading on GCSEPod. A prize for the first 2 students to watch 50 GCSE pods will be awarded. The prize will be a free prom ticket or voucher equivalent to the same amount.

Yours sincerely,

Simon Killen
Assistant Vice Principal
