Lord Grey Academy GCSE results

Lord Grey Academy is celebrating their GCSE results today. With an increase in students achieving grades 5 and above in English and Maths and an increase in students achieving Grade 7, these results are testament to students who have been determined to get the highest grades they can.

Our motto is Lord Grey Can and Lord Grey students most definitely did!

The determination and motivation of the Lord Grey students has ensured that the outcomes are a real credit to them, supported by our high quality teaching from teaching staff and our high quality pastoral provision. These results show a true reflection of the work our students have put into their studies, and Lord Grey Academy wishes them every success as they prepare for the next chapter in their lives.

Associate Principal, Mrs Samantha Satyanadhan commented that, “our students have shown huge determination and high levels of motivation in their studies. We are so very proud of all of them for their educational journey over the last 5 years. Our motto is **Lord Grey CAN** and today we have demonstrated how we live and breathe this. Lord Grey has the commitment to support students to achieve what they want in life. My thanks go, as always, to the wonderful staff who are part of the Lord Grey community”.

As always, we are delighted with the performance of all of our students. A few highlights:
