

Lord Grey Academy Vision

MOTTO: Lord Grey CAN

MISSION: Our motto, Lord Grey Can reminds all members of our community that there is no limit to our ambition where imagination can become reality. Our Aim is to provide a stimulating learning environment, a broad curriculum and the highest quality pastoral care so that all our students flourish.

Values:

Our values of Determination, Ambition, Curiosity, Integrity and Civility are caught, taught and sought out so that we develop the character of Lord Grey students to prepare them for life beyond school.

We are Determined and Ambitious in the pursuit of knowledge and our future.

Determination means everyone challenges themselves to be the best version in all that they do. Ambition means identifying your goals, starting a daily process through which to achieve these goals, making regular reflections about your progress and celebrating accomplishments.

We are Curious in our journey of learning.

Curiosity is about asking questions, but also actively seeking out the answers. It is about the mindset of seeing failure as part of the learning process. Feedback is a gift. Being Curious widens our minds and opens it to different opinions, different lifestyles and different topics.

We demonstrate Civility and Integrity

Integrity means doing the right thing and keeping true to your moral principles. Civility is about showing everyone consideration and respect through supporting each other. We want our pupils to be compassionate, considerate and kind, always looking after those who haven't been given the same opportunities.
