

11 April 2021

Dear Parents, Carers and Guardians

We hope you have had a great Easter holiday. We are really looking forward to seeing students back tomorrow.

Please could you ensure your child/children complete a lateral flow on Sunday evening and then please report the result back to us [on our Google form](https://forms.gle/LZG5qBHuGb2DTKCAA) (<https://forms.gle/LZG5qBHuGb2DTKCAA>) and also report the result to the [NHS Track and Trace](https://www.nhs.uk/track-and-trace) website.

The Government guidelines changed this week for positive lateral flow results. If your lateral flow result is **positive**, please [register for a PCR test](#) and the whole family should isolate.

If the PCR is **positive**, the family will need to continue to isolate for 10 days from the date the PCR result is received.

If the results are **negative** the whole family can continue with their normal routines i.e. return to school/work.

Lateral Flow Test Results - What to do

Positive - Book a PCR and isolate until results from PCR received. Report the result to both Lord Grey and the NHS website.

Negative - Report to Lord Grey and the NHS website. You can attend school as usual.

Void - Report to Lord Grey and the NHS website. Repeat the lateral flow test straight away. If **positive** please book a PCR test as above. If **negative**, you can attend school and work as normal.

If the second test is **void**, you will need to [Book a PCR](#) test and the family and bubble will need to isolate until the results are received as per the government guidelines.

Government guidelines now state students, school staff and parents (via community kits, not school issued) should continue to complete lateral flow tests twice a week **until the start of the Summer holidays**.

At Lord Grey, you will continue to carry out the lateral flow tests and report your results every Sunday and Wednesday. Further kits will be sent home via your child.

If your child has tested positive this holiday, please do ensure you have emailed positivecovidcase@lordgrey.org.uk to let us know. If you have any questions please do not hesitate to contact us.

Have a great rest of your weekend.
