ANOTHER AMAZING ACHIEVEMENT!

Huge congratulations to Matilda Revell in Year 11, as she has been chosen for the GB Ice Hockey Team. This will enable her to travel and play in different countries, one being Slovakia. Well done Matilda, we are extremely proud as we know how hard you have worked to achieve your goal. Matilda currently plays for a local team, MK Storm.

Mrs Bowen, Head of Lorenz House
NEWS from Turing

We are really proud to congratulate Joelie Charlick, Turing 13 who has passed her Level 2 Food Hygiene (on-line). Joelie worked independently, researching and note-taking to achieve this. A huge WELL DONE, a fantastic achievement.

Joelite currently attends a two day work placement at Saplings Children’s Centre, Bletchley and is a popular and respected member of the team!

Congratulate Joelie when you see her, a real Turing winner! Go Joelie, the sky's the limit!

More News from Turing.

We would like to celebrate the success of Gracie Weston, who has achieved her Grade 3 in Clarinet.

500 Words is back for 2018!

Our Year 7 students are joining in ‘the world's biggest short-story writing competition’ for children with the BBC.

Your entry must be submitted on line at https://www.bbc.co.uk/500wordscompetition/login

The competition closes at 7pm on Thursday, 22 February, so start getting your entries in NOW! Lots of wonderful prizes to be won so it is now time to get those creative cogs turning!

If anyone wants/requires any hints or tips before they send off their entries, please see Miss Brett in the English Office.

Good luck everyone.
Year 9 Health and Social Care students took part in a national 'Step into the NHS' competition recently.

Students had to research an NHS career of their choice, create a job description and an eye-catching advert.

**Shannon Latarche-Dines** created a wonderful animation and **Ruth Raposo, Anikha Begum** and **Amana Islam** starred in their own video demonstrating the work of a Physiotherapist. **Hafiza Khatun** designed a t-shirt. **Freya Maxwell, Emily Blake, Isabella Hailstone, Sophie Lock** designed a box showing the inside of a Speech and Language Therapy room.

Well done to all students involved, you did an amazing job!

Dear Parent/Guardian

RE: ACADEMIC PROGRESS MEETING DAY (APM) AND BRITISH VALUES EXHIBITION – THURSDAY 22 FEBRUARY 2018

At Lord Grey we want every student to achieve high standards and “Celebrate Success”. To help achieve this goal, Lord Grey School is continuing to hold Academic Progress Meetings (APM). On Thursday 22 February between 11am and 7pm, Lord Grey School will be holding an APM Day to review the targets and progress of your son or daughter. This year we are combining the APM Day with a British Values Exhibition.

APM DAY APPOINTMENTS
You will be able to book a 20 minute appointment for you and your child to talk at length with your child’s Form Tutor, or another member of staff. The longer appointment time with one person who knows your child will allow you to discuss in depth how your child can achieve their very best at Lord Grey School, and set targets for success that will be regularly reviewed. The discussion will focus upon the recent progress checks which indicate students’ attitude to learning and details of current levels of achievement compared to academic potential for each subject taught.

You will need to make all appointments to see your child’s Form Tutor online, via Insight (our Parents’ Evening Booking System). Please log on to our website www.lordgrey.org.uk and click on ‘Insight – For Parents’ which is on the right hand side, top corner. Enter your Username, Password and click on the ‘Log In’ button. If you cannot remember your password, please enter your e-mail OR username at the bottom section and hit the ‘Submit’ button. Your password will be emailed to you instantly. If both methods fail, please contact Student Services via e-mail student.services@lordgrey.org.uk or telephone no. 01908 626157/176.

Please can you complete the attached slip, indicating if you will be attending, and return this to your child’s Form Tutor no later than Monday 5 February. If no return is made then an appointment will be made on your behalf, and this may not be convenient for you. We always prefer to see parents but in exceptional circumstances we will see students on their own, particularly the older students, as a last resort.
BRITISH VALUES EXHIBITION
This year we are very pleased to be able to host a British Values Exhibition as part of the APM Day, which will be held in the Main Hall.

You will be required to walk through the Main Hall to view the British Values Exhibition before or after your APM.

On Thursday 22 February there will not be normal class lessons as the focus is reviewing academic performance. Students and parents will be expected to be in school for their allocated appointment and to attend the British Values Exhibition. Students are not required to wear school uniform, and it would be advisable for students to bring the school planner with them.

We look forward to seeing you on this day.

Yours faithfully

Mr N G Handyside
Deputy Headteacher

Know your place

History House Competition

Your Task
- Find a place of historical interest near you. It could be Bletchley, Milton Keynes, Buckingham, Wolverton etc.
- Make a model, painting or picture of that place.
- Note down some facts about it.

Closing Date – Friday 9 March 2018
Entries to Miss Cowap (HO7/8)

Some Ideas
- Watling Street (Roman road)
- Woburn Abbey
- St Mary’s Church (Rickley Lane)
- War Memorial (Rickley Lane)
- Grand Union Canal
- Bletchley Park

Some Inspiration...

Bletchley was an Anglo Saxon village. It means Blaecca’s clearing.

Refine work by exploring ideas, selecting and experimenting with appropriate media, materials, techniques and processes.

YEAR 11 - 3. AO2
Refining ideas, Keywords and Definitions

Refinement
This means that you need to make small changes to your work through experimenting with different materials and techniques appropriate to your idea and as your work progresses.

Purposeful
Showing you know what you want to do.

Exploring
To search and discover using different materials and techniques.

Consistent
Always behaving or happening in a similar way.

Thoughtfully
Carefully considering things.

Effectively
A way that is successful and achieves what you want.

Materials
A range of media.

Techniques
The way you use the material.

Processes
The way you do something.
PLASTIC PROCESSES

a. Can you name the processes and describe the different stages within them?

b. Can you identify a product made using these processes?

ANSWERS FROM LAST WEEK

Q1) Identifying the design eras:

D  Arts and Crafts
G  Pop Art
F  Futurism
H  Art Deco
B  Gothic
A  Bauhaus
E  Art Nouveau
C  Memphis

Q2) The iconic designer was Philippe Starck
To develop a sustainable future you need to think about meeting today’s needs and protecting the environment and resources for the future.

To develop sustainably means
"Understanding how to meet the needs of the present without compromising the needs of future generations to meet their own needs."

Sustainability and your Component 2 Exam
Component 2 is a decision making exercise, where you need to choose one of the ways given to you to solve the issue presented in the exam paper. You must refer to how your choice is more sustainable than the alternative choice i.e. why is your choice better for the overall future and long-term implementation of the plan. Make sure to refer to Social, Economic, and Environmental advantages (and disadvantages if relevant), of your plan, and explain why you didn’t choose the alternative option.

What are sustainable approaches?
World leaders have agreed to implement strategies that aim to help make the way they use resources in their country more sustainable. These agreements are referred to as 'Agenda 21' and 'Local Agenda 21'.

Strategies for building a sustainable future include:
- conserving resources
- using local materials
- involving local people
- using appropriate technology.

A resource is anything that is useful to people. Natural resources can be divided into renewable and non-renewable resources.
A renewable resource can be used again and again, so is more sustainable, e.g. water, wind, wood, sun and wave energy.
A non-renewable resource will eventually run out, so it is not sustainable in the long run, e.g. fossil fuels such as gas, oil and coal. There is only a finite supply of non-renewable resources.
All resources, both non-renewable and renewable, need to be carefully managed. For example, you can use a non-renewable resource in a way that helps to lengthen its use, e.g. re-using old tyres in road building materials. Some renewable resources may become polluted or overused by man.
History GCSE Revision

Videos for Revision - America Unit

The Crash Course YouTube videos are excellent ways to start a recap of a topic, especially for our America unit. Each lasts around 10 minutes. https://www.youtube.com/user/crashcourse

Topics covered
- Growth, cities and immigration
- America in WW1
- Roaring Twenties
- Depression
- New Deal
- World War Two
- Civil Rights.

Know Your Units

AQA Exam Board – History 8145

Component One - Understanding the Modern World
Conflict and Tension 1894-1918
1D. America 1920-1973 - Opportunity and Inequality
1 hour 45 minutes

Component Two - Shaping the Nation
Elizabethan England 1568-1603
2A. Britain - Health and the People
1 hour 45 minutes

Revision - Where to Start?

- Find your topic breakdown sheet which you got at Parents’ Evening or in class.
- Spend 45 minutes on each small section.
- Make revision materials don’t just read through your book.
- These could be spider diagrams, flash cards, bullet points, posters, PowerPoint slides.
- Make time to read through your revision materials and get someone to test you on the information.
- Don’t forget to make revision materials for your exam technique too.
- Use Moodle as a starting point for information – all your lessons, PowerPoints and resources are on there, as well as the revision guides.
- Ask your teacher if you are stuck.
- Revision Sessions are every Wednesday 3.15pm-4.15pm with Miss Cowap in HO7.

Important - Exam Equipment and Technique
In the recent Year 10 exams, we were shocked at the number of students who turned up without the correct equipment. It is essential that your child has a calculator, black pen, pencil and ruler for EVERY Science exam and test.

The exams are marked on-line, and an examiner may be marking up to five hundred scripts. If the examiner cannot read your child’s answers because their writing is unclear or they have used a pencil or pen that does not scan easily, your child will lose marks. They will have calculations to carry out and diagrams and graphs to complete - the correct equipment is essential.

Students must not spend too long on the multi-choice questions at the beginning of the paper. If they are not sure of the answer, they should move on and return to the question at the end. If all else fails, eliminate known wrong answers and take an educated guess. We would expect students to need to work out the answer to multi-choice questions and they should include this on their paper.

To help with calculations, we encourage the use of the mnemonic ESAU - equation, substitute, answer, units. If your child needs help, encourage them to come to the Science Help Session on Friday from 3.20 - 4.20 in S02.

What you can do to help ...
• Make sure that your child has a set of revision guides. The CGP Guide for OCR Gateway GCSE Combined Science is available from the Science Prep Room at a cost of £5.50.
• Some students in Years 9 and 10 are studying separate sciences and these are also available for £8.25.
• Put the list of Physics formulae on the fridge.
• Ask them to explain what the letters represent in each of the formulae.
• Ask them the units for each of the quantities.
• Give them a quick test on the formula of the week (just like you used to help them learn spellings in primary school).
Density = mass / volume (students MUST learn the is formula)
Rearrange to make mass the subject     Mass = Density x volume
Check that the units are consistent ie mass in kg and volume in m³
Mass = 2712 x 8.0 x 10⁻⁶ = 0.0217 kg
Correct answer scores 2 marks. If the final answer is incorrect there will be a mark for correct working out.

Energy = mass x specific heat capacity x temperature change (this formula is given on the paper)
Check the units are consistent—mass in kg, temperatures in degrees Celsius
Calculate the temperature change = 18 — 5 = 13 degrees Celsius.
Energy = 0.0217 (from previous questions) x 0.9 x 10³ x 13 = 254 Joules.
Correct answer scores 3 marks. There is one mark for calculating the temperature change correctly. If the incorrect mass was found, marks are still available for calculating the energy for an incorrect mass (ECF—error carried forward).

A six mark question requiring an extended answer.
Answers will be included in the next newsletter.

Health & Social Care
Year 11 Exam Focus

QUESTION IN THE LAST EDITION OF THE NEWSLETTER
Describe one positive and one negative effect of having children on a couple’s personal development.

ANSWER

POSITIVE

• Worthwhile because brought another life into the world.
• Fulfilling because the parents nurture the child/feel trusted, loved, wanted, happy.
• Wonderful, with many joyful moments.
• Parents are proud and have a sense of belonging.
• Brings couples closer as they share responsibility.
• Social – meeting new group of people.

NEGATIVE

• See friends less as looking after children, so may feel isolated.
• Tired due to lack of sleep because have disturbed nights due to feeding, illness, child has nightmares, increased stress.
• Less time along together so relationship could deteriorate.
• One parent may give up work and feel less independent, less worthwhile, less income so not able to do things would like to do.
• Stress, worry.
• May disagree on decisions about the children, may worry more.
• May spend less on themselves, as have to spend more on children.
We are always looking at ways to help you achieve your full potential. Lord Grey has subscribed to SAM Learning which is an online learning package which has materials for SATS, GCSEs and A Levels. The resources available on the system are very good, and have the advantage that they can be accessed anywhere where there is an INTERNET connection, at home, in the LRC, public libraries as well as in lessons. Independent research shows that provided students use the materials for more than 10 hours in total then it will boost SAT and GCSE grades.

**So how do you get started?**

The Web address is: www.samlearning.com

Every student has a unique user ID.

To discover yours follow these simple instructions!

**CENTRE ID:** MK3LG

**USER ID:** your date of birth followed by your two initials *e.g.* the user ID for DAVID JONES, born on the 1 August 1985 would be 010885DJ

**PASSWORD:** This is the same as your **USER ID** but you can change this once you have logged on for the first time.

The system is not meant to substitute the work that you do in class with your teacher, or homework that has been set by your teachers. It is meant to complement and enhance your learning and revision skills—by completing exam style questions you will get better at exams and having to mark your own work will help you understand exactly what the examiners want in an answer.

If you do not know your login or password or are having any problems accessing SAM Learning please go to the **SAM Learning Clinic** with Dr Nourshargh on Tuesday at Tutor Time in the Science Office next to S04.
We are very excited to be launching our new school skirt which will come into effect after the Easter holidays, 9 April 2018. This will coincide with our move to an academy status and is part of a fresh start approach.

In the photograph you can see it is smart and durable. It will be enforced for students in Years 7-10, if a student chooses to wear a skirt. Year 11 students can continue with the previous knee length plain black skirt. Of course, all students can choose to wear tailored black trousers if they prefer. The new skirt is only available from one supplier (Maisies Superstore, 60-64 Church Street, Wolverton. Telephone: 01908 313313). It can be purchased on line via the website [https://www.maisies-superstore.co.uk](https://www.maisies-superstore.co.uk) or purchased directly in person, from the shop.

The Governing Body of Lord Grey have fully agreed to this new skirt as part of our uniform. The skirt quality is exceptionally good. The school has put aside a ‘hardship fund’ for any parents who wish to purchase the skirt but cannot afford to do so. If any parent wishes to be reimbursed for the purchase price, please contact Student Services via email: student.services@lordgrey.org.uk or telephone 01908 626176/157.

The skirt retails at about £24 depending on size; hence the offer of reimbursement from the school if the cost is prohibitive for any family. It looks exceptionally smart, it should be worn at knee length and everyone at the school is very thrilled about its launch.

Tracey Jones, Headteacher.

IMPORTANT MEDICAL INFORMATION FOR PARENTS/CARERS

At the start of the academic school year parents/carers must complete a medical form advising of any medical complaints their child may have. At this time parents/carers are also informed the school will not administer medicine to a student. If an emergency arises the parent/carer will be contacted and permission sought, if necessary.

If a student needs to bring any prescribed medication into school, the following guidelines must be adhered to:

- A letter from the parent/carer explaining the nature of the illness and the dosage required must be sent with the student to the Health and Welfare Officer.
- The student must immediately give the ‘in date’ medication to the Health and Welfare Officer.
- The Health and Welfare Officer will store the medicine in a secure place and ensure that only the named student, for whom the medicine is prescribed, takes the medication at the agreed times.

If you require any further information please contact via email our Health and Welfare Officer - jessica.britton@lordgrey.org.uk

EXAMINATION INVIGILATORS NEEDED
CAN YOU HELP?

We are seeking to appoint, on a casual basis, committed and understanding Invigilators to join our team and support students through one of the most critical stages of their education.

Successful applicants will be required to work as part of a team or alone, have a good eye for detail and be able to remain calm under pressure. Experience is desirable, but training will be provided. Days and hours will be variable and dependent upon examination dates. The rate of pay is £8.12 per hour.

Completed application form and covering letter should be submitted to Human Resources at Lord Grey or emailed to hr@lordgrey.org.uk by 9am on 26 February 2018. Visit the website: https://www.lordgrey.org.uk/general-info/vacancies/ to download an application form.

Please note: only successfully shortlisted candidates will be contacted. The successful applicants will require an enhanced DBS check.
2017

EXAMINATION CERTIFICATES
READY FOR COLLECTION

GCSE and A-Level examination certificates are now ready for collection between the hours of 10am-2pm, Monday to Friday (only during term time).

Students are required to collect their certificates in person. If this is not possible, a friend or family member may collect them on their behalf, but only with signed written permission to do so.

Please keep your examination certificates in a safe place. They are often required for employment opportunities, applications to universities etc., in the future. Obtaining replacements from exam boards can be a lengthy and expensive process. Please be advised we are only legally required to hold certificates for 12 months. After this date, certificates may be destroyed.

It is very important that you collect your certificates when they are available. If you require any further information please email: exams@lordgrey.org.uk

**KEEPING IN TOUCH**
**WE MAY NEED TO CONTACT YOU.**

In the ever changing world of mobile phones it is important to have good communication between home and school. Could you please ensure that you keep us up to date with regards to any changes to your mobile and home phone numbers as well as address and email details, plus any updates on medical information.

You are able to do this by using your son or daughter’s Student Planner or by contacting Student Services on 01908 626176/01908 626167 or emailing them: student.services@lordgrey.org.uk

---

**PARENTMAIL IMPORTANT NOTICE FOR PARENTS REGARDING TELEPHONE AND EMAIL CHANGES TO YOUR ACCOUNT.**

Please remember, if you have a ParentMail account, **DO NOT** forget to login to your account and amend your details. This will ensure that you receive communication from the school via text or email.

---

**Get all our latest news instantly on**

Join us now – Lord Grey School is on Twitter! We are very excited about this and hope it will provide an additional network for the school to communicate to the wider school community.

We are slowly incorporating social networking platforms within school to give instant information and many tweets will be just simple reminders and diary dates.

Our account is strictly monitored and our Social Media Policy is in place and will be posted on the website in due course.

If you have any concerns or indeed suggestions of what you would like to see on our Twitter feed, please email us: enquiries@lordgrey.org.uk

We do hope you find this a very useful addition to our communication channels.

Happy Tweeting.
