3<sup>rd</sup> May 2022

Dear Parents, Carers and Guardians,

I am writing to inform you that the nominations period for the Parent Governor Vacancy has now ended and we have had a good response.

We now have a list of two candidates and are required to carry out a ballot in which all parents have the opportunity to vote. Voting is via [Google Form](https://forms.gle/FZFt1FMZ6Zkka3z99) (https://forms.gle/FZFt1FMZ6Zkka3z99), and as there is one vacancy on the Governing Body, you can vote for one candidate only.

Voting will close at 4pm on Tuesday 17 May 2022.

The candidate who receives the most votes will be declared as a Governor and the result of the ballot will be communicated to all parents in due course. Each candidate has submitted a personal statement (see below). If you would like any guidance with this please contact Pippa Wright at Lord Grey Academy.

### Diane Markey

I Diane Markey, would really like to be given the opportunity to volunteer as a parent governor at Lord Grey Academy. I feel with my determination and integrity, I would align very well with the school's values. I have 1 (almost 2) children attending Lord Grey Academy, so I have a vested interest in the future of the school and all the pupils who attend. I have worked in Finance for 17 years and currently studying CIMA which would be very beneficial to the role. I am honest, hard working and most importantly ready and willing to help the school in any way I can, in order for it to thrive and give our children the best education possible.

If you vote for me, you'd be voting for someone who is committed to giving our children the best education possible.

### Louise Green

I am a married mum of 3. Our eldest child is currently at LGA, with our middle child due to start there in September. We are a family of the Black And Minority Ethnic background. I'll begin by sharing a little bit about my professional background and the knowledge and experience that I believe put me in good stead to being an effective Parent Governor. I am an Area Manager on London Underground. (I've worked there for 18 years). I am the Landlord of two central London tube stations. This means that I'm responsible for everyone and everything on these stations- from staff and contractors to lifts, escalators, trains and of course, tens of thousands of customers every single day. A few of the essential aspects of my role are:

1. To provide a safe, secure and inclusive environment for staff and customers alike.
2. Compliance with various pieces of legislation, policies and procedures

3. Managing financial aspects eg budgets

4. Working towards delivering the Mayor's Transport Strategy and TfLs Vision of a greener London.

If you vote for me, you'll be voting for a parent governor whose aim and vision is to ensure that LGA is a school where each and every pupil can attain the highest grades regardless of race, gender, religious belief or any other protected characteristics. A Lord Grey Academy where every single pupil feels safe, nurtured and valued. A LGA where diversity is celebrated. A LGA where staff (and governors!) are accountable, motivated and appreciated. A LGA where parents have a voice. A LGA that is committed to striving for academic excellence as well as the provision of outstanding pastoral care.

If you vote for me, you'd be voting for someone who is committed to giving up their time for the benefit of the most important people in our lives - our children.

Yours sincerely

Samantha Satyanadhan
