Lord Grey Academy

Welcome

New Principal Mr Jim Parker

LORD GREY

Sixth Form

Ofsted July 2014

The sixth form is good. It is well led and good teaching is leading to better results for many students.

Students' achievement in the sixth form is good.

Over time, it is clear that students make rapid gains in their learning and are successful in both academic and work-related examinations.

Dress code

Dress Code

You will be asked to sign the Learning Contract, this includes the Dress Code

We can't have Sixth Formers looking scruffy compared to the younger students - you are the role models

If your clothes do not meet the Dress Code, you will be asked to go home and change. This begins TOMORROW. You must not be on site at any time during the school day in clothing that doesn't meet the requirements of the dress code - even if you are just 'popping in'

Apprenticeships

Everything you need to know about UK apprenticeships

Taking an apprenticeship in the UK

Work while you study – an apprenticeship is a way to gain the skills, knowledge and experience you need to get into many careers. They combine work, training, and study, letting you 'earn while you learn'.

There are many different apprenticeships available across a wide range of industries, and for a wide variety of job roles. As a paid employee, each apprentice works alongside their studies. There are no student fees – your training costs are funded by the government and your employer.

It's an ideal option if you have a clear idea of the career path you want to follow, providing you with practical, on-the-job training, and classroom-based instruction.

How to apply and which apprenticeships are available to you will depend on where you live – find out more by selecting where you are based in the UK.
