Lord Grey Academy Celebrates GCSE Success

Lord Grey Academy is delighted to celebrate another successful year of GCSE outcomes.

Today, we applaud the hard work, determination, and resilience shown by our students, supported by the unwavering commitment of our staff and the encouragement of our wider school community.

The determination and motivation of the Lord Grey students has ensured that the outcomes are a real credit to them. These results are a true reflection of the work our students have put into their studies and Lord Grey Academy wishes them every success as they prepare for the next chapter in their lives.

Our motto is **Lord Grey Can** and we believe our students definitely did!

Principal, Mrs Samantha Satyanadhan commented that,

"Today is a proud day for Lord Grey Academy. These results are a clear reflection that our students truly got what they put in; their success is the direct reward for the tireless energy and focus they've invested in their studies. As they move forward, the entire Lord Grey community wishes them every success in their next chapter, we know their determination will continue to take them far."

Among the many success stories this year are students who have achieved top grades across a range of subjects, those who have made outstanding progress, and individuals who have overcome significant challenges to reach their goals. An increase at grade 7 plus in line with our OFSTED report is very pleasing to note.

As students take their next steps, whether continuing into Lord Grey's thriving Sixth Form, pursuing apprenticeships, or starting vocational courses, the entire Lord Grey community wishes them every success for the future. We are very proud of each and every one! !

We would like to remind students remaining in education to remember to register for a place in our very popular Sixth Form. You can find out more about the opportunities in our Sixth Form, including our PSG Football Academy and our new qualifications launching this year on our website. Alternatively you can email sixthform@lordgrey.org.uk or phone reception 01908626110 to book an appointment to speak to one of our team.
