The death of the high street, and the high street fights back!

Vacancy rates:

Why are vacant shops bad?

Where are the UK's vacant shops?

'The death of the high street is due to changes in technology such as online sales'. To what extent do you agree with this statement?

Improving the high street:

<u>Different Retail Locations</u>		
Retail location	Advantages	Disadvantages
Town centre high street locations		
Town centre covered shopping centres		
District / suburban shopping features		
Out-of-town retail sites
