Your "Ready for Greatness" Summer Checklist

The Essentials (The "Big Stuff")

- [ ] **The Uniform:** Make sure your blazer, tie, and PE kit have been ordered and tried on (pro tip: don't leave it until the last week of August!).
- [ ] **The Route:** Have you practiced the journey to Lord Grey? Whether you're walking, cycling, or taking the bus, do a "dry run" with a friend or parent.
- [ ] **The Stationery:** Grab a sturdy pencil case and fill it with the "Big Four": black pens, pencils, a ruler, and a rubber.

Getting Organised

- [ ] **The School Bag:** Find a bag that is comfortable and large enough to carry an A4 folder and your PE kit.
- [ ] **The Water Bottle:** Staying hydrated helps your brain work better! Pick out a reusable bottle to bring every day.
- [ ] **The Morning Routine:** A few days before school starts, try waking up at your "school time" to get your body clock ready.

Feeling Prepared

- [ ] **Read a New Book:** Keep those reading skills sharp! Try to finish at least one book over the summer—we'd love to hear about it in September.
- [ ] **The "One Question":** Think of one thing you are curious about or one thing you want to achieve this year. Your new tutor will be excited to hear it!
- [ ] **The Smile:** Remember, everyone else is just as nervous and excited as you are. Bringing a positive attitude is the best thing you can pack.

A Note for Parents: We recommend labeling **everything** with your child's name. It's the easiest way to ensure lost items find their way back to their rightful owner!
