Aspire, Learn, Achieve

TOVE LEARNING TRUST

Welcome from the Principal

Thank you for your interest in working at Lord Grey Academy.

At Lord Grey we have a total commitment to developing the life chances of our students, by providing a great education, within a friendly and highly supportive environment. We have high aspirations for our students and believe firmly in our mantra Lord Grey Can! We are proud of our successes and genuinely believe that wider personal development is as important as academic achievement, as we prepare students for life after school in our vibrant and growing town.

We have 1450 wonderful students attending Lord Grey who are supported by a team of over 160 dedicated and committed members of staff. Many staff have been here for a long time and several have been former students of the school. The often quoted reason for developing such a strong attachment to the school is that they just love working with our students. Our students are polite, respectful, engaging, generally keen to learn and appreciative of the work that staff do with them. Our students respond well to praise and are keen to collect House points. I enjoy meeting, each week, the many students who are awarded Principal's Awards. We recognise that being a teenager is not always easy and have a wide variety of support available for them. There are strong systems to support staff in managing behaviour when it is not meeting our expectations.

Lord Grey became an Academy in April 2018 and joined the Tove Learning Trust. We are on a rapid journey of school improvement as we seek to provide even better outcomes for our students. The support and challenge provided by the Trust is key to this. Lord Grey Academy has quickly become the school of choice in the local area and parents' trust and belief in what we do is high; we are oversubscribed in all year groups.

We think that working at Lord Grey Academy is a great choice. There are opportunities for growth and development and our CPD programme is appreciated by staff and recognised externally as being high quality. The staff team support one another well and there is a strong sense of community within the Academy. We are also very focussed on reducing unnecessary work burdens for our staff and in promoting a healthy work life balance.

I hope that by reading this application pack and browsing through our website, you will be encouraged to apply to work here at Lord Grey. We encourage pre-application visits or telephone conversations to discuss any aspect of the job or anything else about the Academy that you would like to know.

I look forward to meeting you.

Information about the Faculty

Thank you for showing an interest in the post of Teacher of Computer Science with ICT at Lord Grey Academy. I hope that this letter will give you a sense of our commitment to Business and Computing and the impact they have on student life.

The Communications Faculty includes Business, IT and Computing as well as the French, German and Spanish departments. It comprises twelve teachers and has 11 designated teaching rooms, five of which are equipped with full class sets of computers. Most classrooms have an interactive whiteboard and all have a fixed projector.

The Business and ICT/ Computing team work as part of the wider Communications Faculty which allows for great collaboration between all subjects to enhance teaching and learning.

Business is an extremely popular choice for Lord Grey Academy students at both Key Stage 4 and Key Stage 5. We offer GCSE and vocational routes as well as a Level 2 Business Administration programme at Key Stage 5.

Business Studies is taught as an option subject from Year 10 and we currently offer OCR GCSE. At Key Stage 5, the department offers Cambridge Technical Level 3 Business and BTEC Level 2 Business Administration.

A mixture of ICT and Computing is taught at KS3 and pupils can choose either IT or Computing at KS4. We are delivering Computer Science at KS4 starting in September 2021. In KS5, we deliver CTEC IT Level 2 and Level 3. There are IT facilities around the school but there are three dedicated rooms for ICT and Computing. We have three new suites with top of the range computers. We have two specialists who can teach any unit or topic within ICT or Computing so we can be flexible with timetabling.

We are developing our use of active engagement approaches in our teaching and look to share good practice to help develop and improve our outcomes in the classroom.

We are looking forward to welcoming an enthusiastic, dynamic and motivated teacher into our team. If you have any questions about the position then please do not hesitate to contact Mike Hateley, Head of Communications Faculty on mike.hateley@lordgrey.org.uk

Yours faithfully

Mike Hateley
Head of Communications Faculty

Why work at Lord Grey?

At Lord Grey we have a strong sense of team. Staff support each other well and we have good systems and processes to make working as effective and efficient as possible. We have a strong commitment to supporting staff so that they can manage the very important work that we do. We don't under estimate the responsibility and sometimes stress that comes with working in a busy school environment.

How we support staff at Lord Grey

- No pressure to "put on a show" in lessons. A culture of typicality is reinforced by no lesson grading.
- Visible Leadership Team who are on hand to listen and support.
- Everyone has the highest expectations of behaviour, with all staff reinforcing those expectations.
- A clear system of sanctions which is applied consistently so staff don't have battles with students.
- Excellent pastoral support offered through our House teams.
- CPD tailored specifically to staff needs, based on their feedback.
- Time for staff to put new things into action and a very careful approach to avoid initiative overload.
- Regular Staff, Faculty and Pastoral briefings to support good communication.

Lord Grey Academy is also in a great location. The Academy is situated on a large site in West Bletchley on the southern side of Milton Keynes. Bletchley itself is the home of 'Bletchley Park', where the WW2 'Enigma' code was broken – this site of historical importance and tourist attraction is just a few minutes' walk from the Academy.

Bletchley is a lively town on the outskirts of Milton Keynes, and offers plenty of accommodation, good shopping and good rail links to London and Birmingham. Milton Keynes is centrally placed with excellent transport links, by both road and rail, to the rest of England. Milton Keynes is one of the fastest growing cities in Europe and has superb shopping, many bars and restaurants and a very good theatre. With excellent cinemas, Xscape and the Snow Dome, MK Dons FC and a range of other leisure options, there is plenty to do in Bletchley and Milton Keynes. For those who prefer the countryside, there are many beautiful Buckinghamshire and Northamptonshire villages on the periphery of Bletchley.
