

Dear Parent, Carer and Guardian of Year 11 and Student of Year 11,

As you are aware when we get back to school after the Easter holidays, GCSE examinations are starting in the first week for GCSE French, Spanish and Italian Speaking and Listening and from 11th May for all other examinations.

We know that examinations are going ahead this year and this will **not** be a Teacher Assessed Grade, in order to ensure your child is preparing well please do see the [letter from Simon Killen](#) this week for what students should be doing over the Easter break as well as ensuring adequate rest breaks.

At Lord Grey, we are maximising every moment for Year 11 and as a result there will be some changes to timetables as you will see below. We have a full programme of targeted and whole year group support planned for after Easter which we have written to you separately about. Year 11 students need to **attend every day and every lesson until their last exam** at the end of June. More information for the 6th Form Induction week at the end of June is to follow.

Provision to support Year 11:

- After School intervention the night before the GCSE examinations- targeted and optional drop ins.
- Morning TopTips at **8.15am** in the canteen for key reminders before entering the exam halls.
- Some changes to timetables to ensure that every learning opportunity counts.

This is the moment. This is the moment we believe Lord Grey Can!

If you have any questions, please do contact me.

Kind regards,

Samantha Satyanadhan
Associate Principal
