11th March 2022

Dear Year 9 Parents, Carers and Guardians

Please find attached the Guided Choice booklet which provides all the information you will need regarding KS4 curriculum subjects, you can also find it and all key dates on our [website](#). We advise that you look at this with your child and have a discussion about some of the subjects they may be interested in, as well as guide them in their research on 'www.careerpilot.org.uk'.

An introduction to the Guided Choice process, and advice to your child about selecting their KS4 subjects can be found on page 2. There is a page for each of the subjects on offer that describes the course content, how the subject is assessed and future career progression. The blocking pattern, which shows which combinations of subjects can be selected, will be issued at the Guided Choices Evening on 17th March 2022. If you have not yet completed the [Google form](#) advising of your attendance then please do so.

A Google form will be sent to your child's Lord Grey email account (*pnumber*) on Thursday 31st March to make their final KS4 subject selection. Once completed and submitted, an email confirming their choices will automatically be forwarded to your child's email account and you will also receive a confirmation email.

The deadline for submitting the Google form is Thursday 7th April, and choices will be confirmed in the Summer term. Please make sure that your child chooses subjects they are interested in for all choices, including reserve choices, as we cannot guarantee that subjects will run or that we can match all the first choices. It is imperative that it is your child's choice and they would be willing to take that subject for two years. Once subjects have been agreed and offers have been accepted there will not be an opportunity to amend these.

If you have any questions or queries please do speak to your child's form tutor in the first instance.

Yours sincerely

Amanda Brabin
Assistant Principal - Curriculum
