

2 December 2020

Dear Parents, Carers and Guardians

I am writing to update you on our plans for Year 9 and Year 12 to return to face to face teaching.

I am afraid that staffing levels have not yet returned to the level where we can have every student in school just yet so therefore, I am extending the period of home learning for Year 9 for the rest of the week. Students should continue to access the Virtual School until they return to face to face teaching on **Monday 7th December**.

For Year 12 the position is a little more positive and we have some Year 12 teachers returning this week on Thursday. This means that some Year 12 lessons will start up again face to face from Thursday. Students will hear directly from Mr Darvall as to which lessons will return to face to face teaching and which will remain virtual.

I am sorry that the disruption to learning has to continue and hope that we can be back operating as normal as soon as possible.

Yours sincerely

Jim Parker
Principal
