5 September 2018

Dear Parents and Guardians

I am writing to introduce myself as the new Principal of Lord Grey Academy.

It is a great privilege to have been appointed to lead Lord Grey Academy and I am very much looking forward to working with you to deliver an excellent education for your children. I believe in the power of building a strong relationship between the home and school and welcome opportunities to develop this partnership. To facilitate this, during the first few weeks of this term, we will be holding a series of parent information evenings which will provide an early opportunity for you to meet me and for academy staff to highlight important aspects of the year ahead. You will receive letters about these meetings in due course.

As you know Lord Grey Academy joined the Tove Learning Trust in April 2018 to benefit from working closely with other schools and academies to raise the standard of education across the trust. Lord Grey Academy has already seen the benefit of working with colleagues from the Trust over the course of the summer term and we are looking forward to seeing further benefits for Lord Grey during this next academic year. As part of our transition to academy status there has been a change to the Governance arrangements with the establishment of an Academy Interim Board (AIB). The Academy Interim Board will be communicating with parents over the coming months to keep you up-to-date with progress.

I am looking forward to meeting all of the students over the next few weeks and seeing them learning and making progress.

Yours sincerely

Jim Parker
Principal
